1. Aims

This policy aims to:

- Provide a consistent approach to behaviour management
- Define what we consider to be unacceptable behaviour, including bullying and discrimination
- Outline how pupils are expected to behave
- Summarise the roles and responsibilities of different people in the school community with regards to behaviour management
- Outline our system of rewards and sanctions

2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

- Behaviour and discipline in schools
- Searching, screening and confiscation at school
- The Equality Act 2010
- Keeping Children Safe in Education
- Use of reasonable force in schools
- Supporting pupils with medical conditions at school

It is also based on the special educational needs and disability (SEND) code of practice.

In addition, this policy is based on:

- Schedule 1 of the Education (Independent School Standards) Regulations 2014; paragraph 7 outlines a school's duty to safeguard and promote the welfare of children, paragraph 9 requires the school to have a written behaviour policy and paragraph 10 requires the school to have an anti-bullying strategy
- DfE guidance explaining that academies should publish their behaviour policy and anti-bullying strategy online

This policy complies with our funding agreement and articles of association.

- Any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person (including the pupil)

4. Bullying

Bullying is defined as the repetitive, intentional harming of one person or group by another person or group, where the relationship involves an imbalance of power.

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

5. Roles and responsibilities

5.1 The governing board

The governing board is responsible for monitoring this behaviour policy's effectiveness and holding the headteacher to account for its implementation.

5.2 The headteacher

The headteacher is responsible for reviewing and approving this behaviour policy.

The headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

5.3 Staff

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular pupils
- Recording behaviour incidents on either CPOMs or the behaviour log (see appendix 3)

The senior leadership team will support staff in responding to behaviour incidents.

5.4 Parents

Parents are expected to:

- Support their child in adhering to the pupil code of conduct
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly

6. Pupil code of conduct

Pupils are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other
- In class, make it possible for all pupils to learn
- Move quietly around the school
- Treat the school buildings and school property with respect
- Wear the correct uniform at all times
- Accept sanctions when given
- Refrain from behaving in a way that brings the school into disrepute, including when outside school

7. Rewards and sanctions

Halam school is a safe and caring environment where positive relationships, mutual respect and shared values underpin all school activities. We expect all pupils to follow the code of conduct. We use praise and rewards to promote excellent behaviour, well being and encourage pupils.

7.1 List of rewards and sanctions

Positive behaviour will be rewarded with:

- Praise
- Reward charts, class prizes/draws
- Certificates in whole school assembly
- Letters or phone calls home to parents
- Special responsibilities/privileges

The school may use one or more of the following sanctions in response to unacceptable behaviour:

- A verbal reprimand
- Sending the pupil out of the class
- Expecting work to be completed at home, or at break or lunchtime

- Missing part or all of playtime at break or lunchtime
- Referring the pupil to a senior member of staff or the Head Teacher
- Letters or phone calls home to parents
- Agreeing a behaviour contract

This list is not ranked in order, sanctions are measured and appropriate to the pupils age, developmental stage, understanding and any additional needs such as SEND or SEMH needs.

Pupils may be sent to the Head teachers office or to work in another area during lessons if they are disruptive, where they will be supervised by a member of staff. They will be expected to complete the same work as they would in class. This is in response to serious or persistent breaches of this policy and expectations of behaviour, these are always recorded on CPOMs.

Pupils may have an additional behaviour support plan to help them regulate and follow school's expectations of behaviour.

7.2 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

Details are outlined in Halam Schools Peer on Peer Abuse (Child on Child Abuse) NCC Guidance and Model policy.

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care
 - Report to the police

Please refer to our child protection and safeguarding policy for more information.

7.3 Off-site behaviour

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil or member of the public

- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of the staff member (e.g. on a school-organised trip).

7.4 Malicious allegations

Where a pupil makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will discipline the pupil in accordance with this policy.

Where a pupil makes an allegation of sexual violence or sexual harassment against another pupil and that allegation is shown to have been deliberately invented or malicious, the school will discipline the pupil in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer, where relevant) will consider whether the pupil who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children's social care may be appropriate.

The school will also consider the pastoral needs of staff and pupils accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other pupils.

8. Behaviour management

Halam school is a safe and caring environment where positive relationships, mutual respect and shared values underpin all school activities. We have high expectations of behaviour for learning, positive relationships and learning attitudes.

8.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

- Create and maintain a stimulating environment that encourages pupils to be engaged
- Display the pupil code of conduct or their own classroom rules
- Develop a positive relationship with pupils, which may include:
 - Greeting pupils in the morning/at the start of lessons
 - Establishing clear routines
 - Communicating expectations of behaviour in ways other than verbally
 - Highlighting and promoting good behaviour
 - Concluding the day positively and starting the next day afresh
 - Having a plan for dealing with low-level disruption
 - Using positive reinforcement

8.2 Physical restraint

In some exceptional circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment

➤ Be recorded in CPOMs and reported to parents (Appendix 3 for a behaviour log)

8.3 Confiscation

Any prohibited items (listed in section 3) found in pupils' possession will be confiscated. These items will not be returned to pupils.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

Searching and screening pupils is conducted in line with the DfE's latest guidance on searching, screening and confiscation.

8.4 Pupil support

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's special educational needs co-ordinator will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

8.5 Safeguarding

The school recognises that changes in behaviour may be an indicator that a pupil is in need of help or protection. We will consider whether a pupil's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, we will follow our child protection and safeguarding policy.

9. Pupil transition

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year.

10. Training

Identified staff have been trained in the proper use of restraint and verbal intervention techniques. Behaviour management will also form part of continuing professional development.

11. Monitoring arrangements

This behaviour policy will be reviewed by the headteacher and governing body annually. At each review, the policy will be approved by the headteacher.

If your child's behaviour does not improve, I will contact you again and suggest that we meet to discuss how we can work together. However, at this stage I am confident that a reminder of how to behave appropriately will be sufficient.
