Possible Industrial Action by Teachers

You will be aware from the media that one of the teaching unions, the NEU, are planning to take industrial action over the next few weeks. The first day of industrial action is on Wednesday, 1 February. As I said in the e-mail I sent out on Wednesday, 18 January, I am currently gathering the necessary information to understand how this action will impact our school, and I will be in touch again early next week once I have a clearer picture.

Thank you for your support,

AE Speed
