Annual Reports

The children will bring home their Annual Reports today. If you have any concerns about your child's report, or there is anything that you wish to discuss, we have arranged a Parents' Evening on Wednesday, 24 July. If you do want an appointment then please e-mail the School Office to arrange one.

Flood update

Work seems to be progressing well, the skirting boards are being put back on as I type this, and the replacement equipment has started to arrive ready for September.

School Meals Ordering System

In September there is going to be a new way to order your child's meals. This will be done by a new app "Impact Food". With this newsletter is some information from Impact food about the new app, and what you need to do next.

Thank you for your continued support,

Aly Speed
