### **Breakfast and Tea Club Guidelines**

These rules are to ensure the safety of the children whilst attending the club

- Upon arrival, children will be registered. This is very important due to fire regulations.
- A snack will be served at 8.00am and 4pm.
- Parents are to confirm any health and allergy information prior to their child attending the session.
- It is the responsibility of the parent/carer to let the school office know if their child is not attending a session.
- Children should not bring their own toys.
- Whilst the Supervisor will endeavour to ensure that the children take their belongings with them at the end of each session, they cannot accept responsibility for any belongings left behind. Please make sure that your child's belongings are suitably labelled so that they may easily be returned to them.
- Children are expected to behave appropriately at all times in accordance with the school values and the Behaviour Policy.
- Children must not leave the school site until they are collected by their parent/carer or responsible person by prior arrangement.

## **Behaviour**

Whilst children are at Breakfast and Tea Club, they will be expected to follow the positive behaviour expectations below.

- Listen to all staff members and follow their instructions
- Walk carefully around the club (no running)
- Use respectful language
- Play kindly

Bullying is not tolerated at all within school, and this will be dealt with immediately in line with our school policy.

Children are encouraged to inform a member of staff if they are unhappy about something so that this can be dealt with.

To create positive behaviour within the club, rules and expectations are used. These rules and expectations are very important to ensure all children are aware of what behaviour is acceptable and what is not.

## **Safeguarding Policy**

The welfare of children within our care is of utmost importance to our staff. As such we believe that we have a duty to the children, parent/carers and staff to act quickly and responsibly in any instance that causes us concern.

All Breakfast and Tea Club staff will follow the school's safeguarding policy.

## **Managing Medicines on School Premises**

Wherever clinically possible, medicines should be prescribed by a doctor in dose frequencies which enable them to be taken outside school hours.

If your child is prescribed medicine which requires administration within school hours you must fill in a medical consent form (available from the school office) prior to the medication being given.

School will only accept prescribed medicines that are in-date, labelled, provided in the original container as dispensed by a pharmacist and include instructions for administration, dosage and storage.

School keeps a record of all medicines administered to individual children, stating what, how and how much was administered, when and by whom.

All medicines and care plans are kept securely in the school office and are accessible at all times to relevant staff.

## **Accidents**

Should your child injure themselves whilst attending Breakfast and Tea Club the procedure is:

- The incident and any treatment will be recorded in the accident book, a copy of which will be sent home with the child.
- If the injury is a minor one, but to the head, parent/carers will be given a 'bumped head letter' along with a copy of the accident book recording of the incident.
- If the injury is more serious and requires medical treatment, the child would be assessed by the First Aider and if needed an ambulance would be called. Parent/carers would be contacted immediately.

## **Fire**

The club has a fire evacuation plan in case of emergency, which is reviewed regularly. The club has fire extinguishers and recognised fire points.

## **Complaints**

Any concerns regarding your child's care please speak the Supervisor or Head Teacher. If your concern is not resolved, please follow the Halam complaints policy.
