With focus on five finger values of: *Aspire, Partnership, Persevere, Love, and Enjoy*. - **See long term 2 year cycle planning document**

The EYFS follow the 'Development Matters' document alongside additional texts and experiences to link to the Key Stage 1 topic cycles. We use continuous provision and learning through play to develop EY pupils' knowledge, enhance their experiences, and allow children to develop strong characteristics of effective learning.

Each subject area within the curriculum has:

- A long term plan set over a two year cycle
- Intent, Implementation, and Impact statements
- Progression maps through from Early Years to Year Six

Inclusion

Teachers set high expectations for all pupils. They use appropriate assessment and feedback to set ambitious targets, next steps, and plan challenging work for all pupils. Teachers take into account the needs of all pupils, including but not excluding, other pupils with specific needs: more able pupils, pupils with low prior attainment, pupils

from disadvantaged backgrounds, pupils with SEND, pupils who are LAC, pupils with English as an additional language (EAL).

Teachers plan lessons so that pupils with SEND can study each National Curriculum subject, wherever possible, and ensure that there are no barriers to every pupil achieving. We work closely with parents and carers and outside professionals to meet the needs of all pupils.

Further information can be found in our statement of equality information and objectives, and in our SEND policy and information report.
